PART I: GENERAL INFORMATION AND SELECTED KEY PROVISIONS

CareerSource Gulf Coast (CSGC) is issuing this Request for Proposal (RFP) to solicit proposals from organizations with the expertise and capacity to administer and deliver various welfare reform and workforce development services under guidance from CareerSource Gulf Coast executive staff to our job seeker and employer customers in Bay, Franklin and Gulf Counties. The expected term for any grant agreement awarded under this solicitation will be from July 1, 2025, and extending through June 30, 2026, provided measurable performance outcomes are successfully achieved. The agreement may be renewed for up to three additional years with CareerSource Gulf Coast approval, ending June 30, 2029.

For ease in translating the successful proposal into a grant agreement statement of work, all proposals are to be written in the INDICATIVE (will, shall) rather than the SUBJUNCTIVE (may, could).

The objective of this procurement is to select a single organization that will serve as the CareerSource Gulf Coast Job Center Operator to effectively and efficiently manage and deliver all services required under this RFP.

Proposers interested in serving as the CareerSource Gulf Coast Job Center Operator must present a proposal containing all services required under this RFP. Proposals for CareerSource Gulf Coast Job Center Operator which fail to propose any service required under this RFP will be considered non-responsive.

A. Eligible Proposers

All public or private not-for-profit corporations, local education agencies, governmental units, public agencies, or private-for-profit corporations properly organized in accordance with State and Federal Law (except those referenced in the paragraph below) and in business for at least one (1) year may submit a proposal for funding. Minority and women-owned and operated businesses are encouraged to submit a proposal.

No proposer may compete for funds if:

- (1) the proposer has been debarred or suspended or otherwise determined to be ineligible to receive Federal funds by an action of any governmental agency;

B. Services Required Under this RFP

The **CareerSource Gulf Coast Job Center Operator** (one stop operator) will coordinate the service delivery of required one-stop partners and service providers (details in Section IV, Scope of Work). The Job Center Operator will be responsible for coordinating service

providers across the one-stop delivery system and be the primary provider of career services within the comprehensive one stop center and coordinating services at affiliate sites staffed by CSGC personnel. This coordination will take the form of training and technical assistance.

The Job Center Operator will be expected to provide Basic and Individualized Career Services as well as Follow-Up Services under WIOA Title I programs and Wagner-Peyser.

The tasks listed below are expected to be performed by the successful proposer at the Comprehensive Job Center. Other arrangements will be made as needed at affiliate sites.

The Job Center is a turn-key operation with lease, phone, IT backbone and custodial services paid for by CSGC Office space and staff in Franklin and Gulf Counties are funded by the Board through a variety of workforce and non-workforce dollars. It is expected that the Job Center operator will support and coordinate with that staff to ensure that services are recorded properly in Employ Florida and provide training and technical assistance as needed. The One Stop Operator will be responsible for coordinating Job Fairs at affiliate sites and advising staff on special client requests.

According to CFR 20, Subpart D 678.620 (b) (1) a one-stop operator may not perform the following functions:

D. Funding Period/Period of Performance

The funding period for any grant agreement awarded under this solicitation will be from July 1, 2025 through June 30, 2026, provided performance remains acceptable during that period. Any agreement awarded from this RFP will include an option to renew for up to three additional one-year periods contingent upon successful performance and funding.

E. Funding Available

CareerSource Gulf Coast will make sufficient funding available from various sources to deliver the services requested in this RFP. The proposer is responsible for proposing a reasonable total cost for delivering the services described in this RFP. Funding during the agreement period may be adjusted due to changes in funding received. CareerSource Gulf Coast is the leaseholder for the 625 Highway 231, Panama City location; therefore, rent costs should not be considered when developing a budget.

Staff from other funding sources will be made available on a full-time basis and will be placed under the functional supervision of the CareerSource Gulf Coast Job Center

Operator. These staff resources are funded from the Wagner-Peyser Act, Florida’s Unemployment Compensation Law, Title 38 of United States Code, services for Veterans, and the Trade Act of 2002. Periodically, additional funding will become available and added to the grant agreement resulting from this RFP. This funding may result in additional staff to deliver CareerSource Gulf Coast Job Center services. The percentage of the total costs of the program or project which will be financed with Federal money is 100%. The dollar amount of Federal funds for the project or program is to be determined. The percentage and dollar amount of the total costs of the project that will be financed by nongovernmental sources is 0% and \$0.

F. Performance

The CareerSource Gulf Coast Job Center will be subject to the following performance measures and levels. Additional measures, likely performance levels and definitions, may be found in Exhibit A.

Region 4 Program Year 2025 Performance Goals CareerSource Gulf Coast Job Center			
Unique employers served	100/Quarter.	Wagner Peyser Entered Employment Rate	67%
Distinct individuals receiving services	900/Quarter	Wagner Peyser Median Wage Rate	\$13.00
Veterans served	15/Quarter	Wagner Peyser wage rate YTD	\$12.00

Three performance measures for the contract year 2025-2026 are listed below. The service provider must meet two of the three measures to earn the ten (10) percent holdback. Exceeding one measure will count as meeting two, however, the service provider is encouraged to strive towards meeting all three goals.

- 1.) Unique Employers Served – 100 per quarter
- 2.) Distinct Individuals Receiving Services – 900 per quarter
- 3.) Veterans Served – 15 per quarter

Proposals will be required to describe the strategies to be used to meet and exceed these mandatory standards.

G. Type of Grant Agreement

Proposed costs will be analyzed, and a grant agreement will be negotiated on either a fixed-price basis or a cost reimbursement basis. **There will be no agreement negotiated without a performance basis.**

Payment under a cost reimbursement grant agreement will have a portion of the funds (a minimum of 10%) withheld until achievement of measurable performance outcomes have been documented. The remaining funds will be used to reimburse allowable expenditures submitted on a monthly invoice with appropriate documentation. Examples of measurable performance outcomes include, but are not limited to, full-time job placement, six-month job retention and wage at placement.

For the purposes of responding to this RFP, proposers are to develop a line item budget showing all expected costs associated with delivering the required services. Additionally, proposers must include a budget narrative that details the methodology for budgeted amounts. Expenditures will be charged to line-item budgets and to cost categories using

the cost limitations established by OMB Uniform Guidance 2 CFR 200 and WIOA. In some limited instances, agreements may include an advance for services to be performed.

Due to the nature of the funding sources, legislation, policies and performance achieved, proposers are advised that any agreement awarded under this RFP may be modified to incorporate changes in any of the above areas as well as system-wide adjustments in the delivery system or any activities provided.

H. Governing Authority

Acceptable proposals will meet the specifications contained in this RFP, the requirements of the Federal Workforce Innovation and Opportunity Act, the Deficit Reduction Act of 2005, the Region 4 CareerSource Gulf Coast Local Workforce Services Plan 2025-2028 and Florida's Workforce Innovation Act of 2000 (WIOA 2000), Florida Statute 445, The REACH Act and all applicable policies and regulations. CareerSource Gulf Coast is the designated administrative entity and sub-state grantee for the Local Workforce Development Area 4 area and has been chartered by the Governor as the regional workforce development board. As such, CareerSource Gulf Coast oversees the planning and implementation of a variety of welfare reform and workforce development programs in Bay, Franklin and Gulf Counties.

CareerSource Gulf Coast is a private not-for-profit corporation registered under Section 501(c)(3) of U.S. Internal Revenue Code. A board of directors comprised of volunteers from all three counties in the region who represent private sector business, economic development, education, organized labor, community-based organizations, veterans, and state and local government agencies governs CareerSource Gulf Coast. Joint oversight is provided through an agreement with the Board of County Commissioners from each of the three counties in Region 4.

The mission of CareerSource Gulf Coast is to provide leadership, oversight, guidance and assistance to institutions and agencies delivering training and workforce services in order to meet the economic development and employment needs of Bay, Gulf and Franklin Counties.

Legislation

Workforce Innovation and Opportunity Act

The Federal Workforce Innovation and Opportunity Act of 2014 (WIOA), P.L. 138-228, was enacted to consolidate, coordinate and improve employment, training, literacy and vocational rehabilitation programs in the United States.

WIOA PROGRAMS

WIOA brings together, in strategic coordination, the core programs of Federal investment in skill development:

Employment and training services for adults, dislocated workers, and youth and Wagner-Peyser employment services administered by the Department of Labor (DOL) through formula grants to states; and Adult education and literacy programs and Vocational Rehabilitation state grant programs that assist individuals with disabilities in obtaining employment administered by the Department of Education (DOE).

WIOA also authorizes programs for specific vulnerable populations, including the Job Corps, YouthBuild, Indian and Native Americans, and Migrant and Seasonal Farmworker programs as well as evaluation and multistate projects administered by DOL. In addition, WIOA authorizes other programs administered by DOE and the Department of Health and Human Services.

WIOA replaces the Workforce Investment Act of 1998 and retains and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973.

HIGHLIGHT OF WIOA REFORMS

WIOA ensures that employment and training services provided by the core programs are coordinated and complementary so that job seekers acquire skills and credentials that meet employers' needs.

Key partners and services will be available at Job Centers through the co-location of the Wagner-Peyser Employment Service and the addition of the TANF program as a mandatory partner (TANF has been a partner in Florida for many years).

State and local areas are encouraged to improve customer service and program management by integrating intake, case management, and reporting systems.

State and local boards will promote the use of industry and sector partnerships to address the workforce needs of multiple employers within an industry. State and local boards are responsible for activities to meet the workforce needs of local and regional employers.

WIOA helps job seekers acquire industry-recognized credentials for in-demand jobs.

Training that leads to industry recognized post-secondary credentials is emphasized. States and local areas will use career pathways to provide education and employment and training assistance to accelerate job seekers' educational and career advancement. WIOA ensures that unemployed and other job seekers have access to high-quality workforce services.

WIA service categories of core and intensive services are collapsed into "career services" and there is no required sequence of services, enabling job seekers to access training immediately.

Job seekers who are veterans, basic skills deficient, in addition to those who are low-income individuals, have a priority for services from the Adult program.

Unemployment insurance claimants can receive eligibility assessments and referrals to an array of training and education resources through the Wagner-Peyser Employment Service program.

WIOA increases individuals with disabilities' access to high quality workforce services and prepares them for competitive integrated employment.

Job Centers will provide physical and programmatic accessibility to employment and training services for individuals with disabilities.

Youth with disabilities will receive extensive pre-employment transition services so they can successfully obtain competitive integrated employment.

State vocational rehabilitation agencies will set aside at least 15 percent of their funding to

provide transition services to youth with disabilities.

A committee will advise the Secretary of Labor on strategies to increase competitive integrated employment for individuals with disabilities.

VR state grant programs will engage employers to improve participant employment outcomes.

WIOA prepares vulnerable youth and other job seekers for successful employment through increasing the use of proven service models services.

WIOA makes state and local boards more agile and well-positioned to meet local and regional employers' workforce needs.

State and local boards must coordinate and align workforce programs to provide coordinated, complementary, and consistent services to job seekers and employers.

Business continues to contribute to strategic development and other activities by maintaining a leadership role on the boards and forming the majority of workforce board members. State and local boards are more strategic and flexible as board membership is streamlined.

Required One Stop Partners are all WIOA Title I programs, Wagner-Peyser Act, Adult Education, Vocational Rehabilitation, Senior Community Service Employment Program (SCSEP), Career and Technical Education, Trade Adjustment Assistance (TAA), Temporary Assistance for Needy Families (TANF), and, in Local Workforce Development Area 4, the Supplemental Assistance Nutrition Program (SNAP) and Ticket to Work.

Service Delivery & Procurement

CareerSource Gulf Coast will enter into a grant agreement with the successful proposer for a one-year period and may renew on a yearly basis for a period of up to three (3) years after the original period contingent upon satisfactory performance evaluations and availability of funding.

Compliance and Performance

CareerSource Gulf Coast is subject to extensive compliance and performance monitoring by both State and Federal agencies. Additionally, we retain our own independent monitors.

The successful proposer will be required to meet numerous programmatic and fiscal compliance and quality indicators set forth in State and Federal statute, rules and regulations as well as local CareerSource Gulf Coast policy.

PART IV: SCOPE OF WORK

This section of the RFP is intended to provide details on the services for which CareerSource Gulf Coast wishes to enter into a grant agreement. Keep these details in mind as the proposal is created. To fully comply with the requirements of this RFP, the successful proposer must effectively and efficiently deliver various welfare reform and workforce development services to our job seeker customers and employer customers. In order to accomplish this, proposers must promote high quality customer service while continuously improving the integrated, responsive system of service delivery that is already in place, through the CareerSource Gulf Coast Job Center system.

The purpose of the CareerSource Gulf Coast Job Center system is to establish the framework for a client-centered, consistent, fair, and meaningful methodology to provide a triage of service levels with the underlying focus on customer choice and self-determination. Our goal is to ensure the delivery of services focuses on fully integrating a consistent service delivery process and providing excellent customer service, quality case management, and effective job placement to ensure the long-term success of all customers.

The One Stop Operator is expected to coordinate the service delivery of required partners by maintaining close referral partnerships with non-on-site programs and daily working relationships with in-house partners for the benefit of customers.

The following list of partners is not expected to be on-site but to whom referrals should be made.

Adult Education

Career and Technical Education

Vocational Rehabilitation (on site as needed)

A proposer must present a strategy to deliver the required services at the Comprehensive Center. Proposals for service delivery for less than the entire three county region will be considered non-responsive.

On occasion, specialized tests may be administered that are more appropriate to the customer. This is most likely to occur with special populations, such as individuals with disabilities, or if the customer is interested in specialized training that may have program specific assessments. The successful proposer will ensure that each customer is placed, to the maximum extent possible, in a job that meets the definition of a job placement.

- k. Job Retention/Follow-up: The successful proposer will be responsible for assisting the WIOA registered and other funded customers and their respective employers with job retention. The length of this job retention assistance will be for at least twelve months. Frequency of contact with the newly placed individual (and, when appropriate, the employer) will be determined on a case-by-case basis but not less than once at ninety days, six months, nine months and twelve months. During the retention period, the successful proposer must ensure, to the maximum extent possible, that the customer is not unemployed for more than five consecutive workdays and earns an hourly wage not less than the wage required to meet the funding stream's performance level.

The successful proposer will provide support services as a part of follow-up if those services will allow the customer to maintain or advance in employment.

The successful proposer will ensure that staff is focused on helping customers enhance their skills in order to not only retain their job, but to take steps to better their skills for career growth. This will be achieved through a variety of means including:

A. Proposal Review and Grant Agreement Award

Proposals will be initially reviewed and rated by a review team composed of CareerSource Gulf Coast board members using a Proposal Evaluation/Rating Form. The review team will make recommendations to the CareerSource Gulf Coast Executive Committee and the full Board.

Prospective providers may be invited to make oral presentations and /or explain their proposals. Any proposal selected for award is contingent upon successful grant agreement negotiation.

A grant agreement may be awarded based on offers received, without discussion of such offers with the proposers. Each offer should, therefore, be submitted in the most favorable terms, from a price and technical standpoint, which the offeror can make. However, the review team reserves the right to request additional data, oral discussion or presentation in support of written proposals.

Final award of a grant agreement will be contingent upon:

- ◆ successful negotiation of an agreement;

- ◆ acceptance by the proposer of terms and conditions;
- ◆ satisfactory verification of past performance and systems (e.g., financial), where applicable; and
- ◆ availability of funding.

B. Appeal Procedure

In accordance with applicable regulations, proposers who are denied funding have the right to appeal. The following steps must be taken for organizations to appeal funding decisions.

1. Submit a letter within three (3) business days from the date of award to the Executive Director of CareerSource Gulf Coast stating that an appeal to the award is being filed and the specific reasons for that appeal based on one or more of the four criteria below:
 - a. clear and substantial error or misstated facts by the review team upon which the decision was made by the Board;
 - b. unfair competition or conflict of interest in decision making process;
 - c. any illegal or improper act or violation of law; and/or
 - d. other legal basis on grounds that my substantially alter the Board's decision.

The Executive Director will review the appeal and respond within ten (10) business days

2. In the event the Executive Director's response is not satisfactory to the proposer, an appeal to the CareerSource Gulf Coast Executive Committee may be requested. The request must be addressed in writing within 15 days from receipt of response from the CareerSource Gulf Coast Executive Director to:

CareerSource Gulf Coast
Attention: Executive Committee Funding Appeal Panel
5230 West U.S. Highway 98
Panama City, Florida 32401

The appeal will be heard at a time set by the Board Chair after consultation with counsel. The decision of the CareerSource Gulf Coast Executive Committee is final.

PART VII: PROPOSAL NARRATIVE OUTLINE AND BUDGET INSTRUCTIONS

To be considered, each proposer must submit a single proposal, no longer than 42 pages in length (single spaced, single sided, 8.5 X 11 paper, 12-point type with one inch margins) Required forms and attachments are not included in the page count. For ease in translating the successful proposal into a grant agreement, **all proposals are to be written in the INDICATIVE (will, shall) rather than the SUBJUNCTIVE (may, could).**

When preparing the proposal, please note that clear, thorough, concise answers are better than a flowery, rambling narrative that does not provide a specific response. Get to the point as quickly and completely as possible. Except within the Executive Summary, do not repeat statements or ideas within the text of the proposal. Referring the reviewer to another section of the proposal for other information is preferred rather than repeating the information.

A. EXECUTIVE SUMMARY [maximum 3 pages]

Briefly summarize your proposal. Include

1. Your vision of what the proposal will generally accomplish.
2. List an estimate of how many will be served, by activity and funding stream. Include a discussion of the structure or flow of services by activity and how the processes incorporate principles of human-centered design. Human-centered design is a creative approach to interactive systems development that aims to make systems usable and useful by focusing on the users (customers), designing around their needs and requirements at all stages, and by applying human factors/ergonomics, usability knowledge, and techniques. This approach enhances effectiveness and efficiency, improves human well-being, customer satisfaction, accessibility and sustainability; and counteracts possible adverse effects of use on human health, safety and performance.
3. List the number of employees and their planned caseloads, if appropriate. Explain your rationale for selecting the number of participants per career manager.
4. State how the proposal will serve the customer. Describe any innovative approaches contained in the proposal.

B. BUDGET SUMMARY [maximum 3 pages not including Required Form 2]

In addition to the proposal narrative, each proposer must submit a detailed line item budget using the attached budget forms.

1. Provide a budget narrative that justifies each proposed expense included on Required Form 2 in terms of it being necessary, allowable, and reasonable. Show the method of computation.
2. Give details of the organization's cost allocation method if one is used, e.g., prorating the cost of supplies based on the number of staff or the cost of salaries based on percentage of time spent on this grant agreement. Cost allocation information can be found in Chapter II-8 at:

https://www.dol.gov/sites/dolgov/files/ETA/grants/pdfs/TAG_PartII_July2011.pdf

3. State whether you intend to direct charge all costs or use an approved indirect cost rate. If using an indirect rate, provide a copy of your approved indirect cost rate agreement. CSGC reserves the right to cap or limit indirect costs. Lower indirect costs will likely lead to higher ratings for the proposal.
4. Identify any stand-in costs and in-kind resources/support for the service delivery system beyond what is required in the budget. Include each committed or proposed source of funding and the amount of that funding. Be aware that stand-in costs must be reported on a quarterly basis by the 10th of the month in order to be used for an audit resolution of disallowed costs.
5. Identify third party or in-house procurement. If the proposer intends to procure equipment, materials, etc., from itself or an affiliated organization, the profit must be included in the profit margin for the entire grant agreement.
6. Describe the process you will use to manage budgets for activities and support services. Include a discussion of the role of the case managers in this process.
7. State what contingency plans are in place to repay CareerSource Gulf Coast through non-Federal funds in the event that there are any disallowed costs as a result of an audit or monitoring review.
8. Describe how the proposing agency will financially support the cost of doing business until an invoice can be submitted and paid by CareerSource Gulf Coast. The proposer should note that reimbursements will not occur more frequently than 21 days after the submission of a correct monthly invoice/report.

If a proposer will be requesting one or more cash advances, the need must be clearly justified in the proposal. Granting of cash advances is at the total discretion of CareerSource Gulf Coast and should not be automatically assumed. Prior to granting any cash advance, a surety bond at two times the largest advance amount must be obtained and kept current throughout the length of the agreement. Proposers requesting consideration of one or more cash advances must include a statement acknowledging the surety bond requirement.

9. Grant agreements will be cost reimbursement with a demonstrated performance basis. Provide the proposed percentage of the total cost that will be withheld (minimum is 10%) until measurable performance outcomes are achieved and documented.

Describe the measurable performance outcomes to which the proposer will tie payment and propose the documentation that will be submitted to demonstrate attainment of the outcome. For example, 10% of funds could be held to the following three measures: Unique Employers Served, Distinct Individuals Receiving Services, and Veterans Served. Ideally, a provider would achieve the goals tied to these benchmarks individually; however, CareerSource Gulf Coast is willing to reward exceeding goals in one category by allowing that excess to count as meeting two benchmarks. Two of three goals must be met to earn the performance holdback. In such a scenario, a provider who achieved Adult Entered Employment Rate and exceeded Wagner-Peyser Wage Rate but fell below the Adult Entered Employment Rate could still receive credit for meeting three performance benchmarks. Potential sources of documentation or demonstrating

benchmark attainment include OSST and EF.

10. If funded, what percentage of the proposing agency's total budget will this grant agreement represent? All proposals will be evaluated on the basis of cost-effectiveness in relation to high quality service delivery. To accomplish this, the CareerSource Gulf Coast staff will conduct a preliminary analysis of proposed costs during the proposal review process. Proposers are therefore encouraged to submit their best offer for providing the program solicited in this RFP and to thoroughly describe and justify the proposed costs. This analysis will be conducted to ensure that the proposed costs are necessary, fair, and reasonable; to determine if the proposed costs are allowable and allocable; to determine if there is no duplication of costs with other programs; to ensure that the costs are directly associated with carrying out only the proposed services; and to ensure that the proposed costs will benefit the Job Center system.

A final review will be conducted as part of the budget negotiation with the successful proposer prior to finalization of the agreement.

ATTACHMENT N ASSURANCES

As a condition of the receipt of Federal and State funds under the Personal Responsibility Act (Public Law 104-193), the Workforce Innovation and Opportunity Act (WIOA) (Public Law 105-220), and the Workforce Innovation Act of 2000 rules and regulations, hereby identified as Board programs, the Service Provider agrees to submit a plan for the delivery of Job Center services and operations under the WIOA and Welfare Transition programs, and agrees to operate the programs in accordance with Federal, State and local requirements, the Region Four Local Workforce Services Plan, the Welfare Transition Plan, Florida Commerce's Welfare Transition Employment and Training Handbook and all other laws as applicable.

THE SERVICE PROVIDER ASSURES THAT:

1. The Service Provider will substitute stand-in costs for any unauthorized expenditures deemed as disallowances in the operation of the program, and for any disallowed costs incurred as a result of the service provider expending funds not authorized under this Agreement or in violation of the appropriate Federal or State statutes, regulations or guidelines. In order for stand-in costs to be substituted for disallowed expenditures, the service provider must submit a stand-in cost report for the quarter that the disallowance was incurred. The application of stand-in cost will occur at the audit resolution stage and will not exceed recorded and approved stand-in costs. Any funds requested for reimbursement by the service provider that are determined by the Board, the Governor, Florida Commerce, CareerSource Florida, and/or United States Department of Labor to be in violation of appropriate Federal and State Statutes, regulations or guidelines shall be refunded and repaid to the Board by the Service Provider with non-federal funds. Should the Service Provider question the Board's determination of a disallowance, Florida Commerce may be contacted for a final opinion regarding the appropriateness of the expenditure(s) in question. If this Agreement or Amendments thereto are still in effect, CareerSource Gulf Coast shall withhold these monies from any allowable reimbursement request of the Service Provider.
2. The Service Provider agrees to promptly repay the Board any amount previously paid to the Service Provider by the Board, which is determined by final audit to be an unallowable cost or expenditure. The Service Provider shall repay the Board any funds found not to have been expended in accordance with workforce system programs' regulations or any disallowed expenditure in the final resolution of the audit report. The Service Provider shall repay such amounts from funds other than funds received under this GRANT AGREEMENT. The Board may withhold funds from future deliverables or cost reimbursement requests pending resolution of disallowed costs. This provision is subject to any administrative or other legal procedures available to the Service Provider. No funds under this GRANT AGREEMENT may be used in support of any religious, anti-religious, or political activity.
3. In the event the service provider breaches this GRANT AGREEMENT, the service provider shall indemnify and hold harmless CareerSource Gulf Coast for any disallowed costs resulting from any such breach of this GRANT AGREEMENT. The management, administration and implementation of all terms and conditions of this GRANT AGREEMENT shall be performed in a manner satisfactory to the Board. The Board may act in its own best interest including, but not limited to:
 1. Requiring a written report of corrective action within specific time frames;
 2. Withholding payment;
 3. Disallowing inappropriate claims, payments, or costs;
 4. De-obligating GRANT AGREEMENT funds; or
 5. Terminating or suspending this GRANT AGREEMENT.

If the Board determines that the program described in this GRANT AGREEMENT is not functioning as intended, the Board shall notify the Service Provider immediately by telephone, followed by written notice, which may result in bilateral corrective action or adjustment of the Contractual terms through modification of this GRANT AGREEMENT.

4. Florida Commerce requires that the Board's monitoring plan include fiscal monitoring of all service providers. The Board's Fiscal Department monitors the invoices for appropriateness of costs, timeliness of the submission related to the time that the expenditures were incurred dates of enrollment related to dates of expenditures and overall accuracy of the invoice.

Each month, program fiscal reports are due on the 8th of the month. The Fiscal Department monitors the reports and invoices over the remainder of that month. When there is a discrepancy, the service provider is immediately notified, and appropriate clarification and/or documentation is requested. If the service provider submits the requested documentation in a timely manner and the Fiscal Department reviews and accepts the documentation/clarification, no reimbursement is withheld. If the service provider fails to submit proper documentation/clarification, all reimbursements will be withheld until such time that the proper clarification is submitted to and accepted by the Fiscal Department.

CareerSource Gulf Coast reserves the right not to pay if invoices are submitted more than sixty (60) days past the end of the month being invoiced. Each year a final closeout report is due within eight (8) days after the contract end date. After this deadline, no reimbursement can be made for prior year's expenses from prior year's funds.

5. The Service Provider shall maintain sufficient financial records to allow costs to be properly charged to the appropriate cost categories. The Service Provider shall maintain proper accounts and an accurate verification of participant statistics.
6. In accordance with Florida Statutes, 50% of adult and dislocated worker funds must be expended for Individual Training Accounts (ITAs). Please refer to DEO FG 074 for guidelines on allowable costs that may be considered as a part of the 50% funds.
7. Service provider expenditures will be reviewed after the second quarter of the program year. If contract funds are not 35% expended, funds may be de-obligated.
8. In compliance with WIOA Public Law 113-128, Section 194 (15) none of the funds provided under this title shall be used by a recipient or sub-recipient of those funds to pay the salary and bonuses of an individual at a rate in excess of Executive Level II. This restriction does not apply to vendors/contractors providing goods and services as described in NPRM 683.290 (c).
9. The Florida Legislature requires that any purchase by regional workforce boards of promotional/outreach/informational items which exceeds a certain amount each year must be approved by Florida Commerce prior to purchase. In order to ensure that purchases for this region do not exceed the limit, Service Providers must obtain written permission in advance from the CareerSource Gulf Coast Executive Director prior to making purchases of outreach/informational/promotional items.
10. The Service Provider who is a public or private nonprofit agency assures that revenues in excess of costs shall be treated as program income. that generated them. Funds not spent during the GRANT AGREEMENT period shall be returned to the Board within thirty-(30) days of the expiration date of the GRANT AGREEMENT.

11. The Service Provider shall establish and maintain an auditable accounting system, and report on an accrual basis at year end in accordance with recognized accounting practices and the Board's and Department of Economic Opportunity's requirements for fiscal and program reports. This includes establishing record keeping systems that are sufficient to permit the preparation of reports required by Florida Commerce and the Board, and to permit the tracing of funds to a level of expenditure adequate to ensure that the funds have not been spent unlawfully.
12. Pursuant to FS 119, 257, and State of Florida General Records Schedule GS1-SL, records related to contracts with CareerSource Gulf Coast will be retained for a period of five (5) years after all payments are made and all other pending items related to those records are closed. **Service Provider may only maintain two (2) years of participant files on site.** The Board maintains space for record retention, should space not be available at the provider's site; however, the transport of the records is the responsibility of the provider. CareerSource Gulf Coast is the contact for the admission to storage facilities.
13. Service Provider agrees to participate in all inventory processes for items purchased with funds awarded by the Board. The Board will tag and log into a database all inventory over \$750.00 that is purchased with funds awarded by the Board. Also, property purchased that has a value of \$750.00 or greater and a life expectancy of one year or more shall be reported on the monthly financial report to the Board. While the provider may utilize the equipment in delivering services allowable under the appropriate program, the ownership of all equipment, supplies and inventory vests with the Board. Equipment, supplies and inventory no longer being utilized by a provider will be assessed and redistributed as necessary. Equipment, supplies and inventory may not be disposed of without approval of CareerSource Gulf Coast. The transporting, removal, and/or disposal of any equipment, supplies and/or inventory are the responsibility of the service provider with direction from CareerSource Gulf Coast.
14. The Service Provider will comply with the uniform fiscal and administrative requirements of the Federal Office of Management and Budget Uniform Guidance at 2 CFR 200 and as codified for the United States Department of Labor at 29 CFR (Code of Federal Regulations) Part 97.
15. Per DEO, Division Policy AWI FG-05-019, Service Providers are required to immediately notify CareerSource Gulf Coast if they are going out of business or unilaterally terminate the GRANT AGREEMENT and a custodian of the records must be appointed. CareerSource Gulf Coast's independent auditors will then be notified to perform an immediate audit, which could be a grant-specific audit, of the service provider's records. The audit firm will obtain information from the custodian of records of the company for use in preparation of the audit.
16. The failure of the Board to strictly enforce any of the provisions of this Agreement/ Modification, or to require strict performance by the Service Provider of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions or any other validity of this agreement or any part hereof, or waive the right of the Board to thereafter enforce each and every provision therein

17. The CareerSource Gulf Coast shall indemnify, defend and hold the Service Provider harmless from all claims, suits, judgments or damages, including court costs and attorneys' fees caused by CareerSource Gulf Coast's negligent act or omission in the course of the operation of this GRANT AGREEMENT.
18. or brought by anyone on account of personal injury, property damage, loss of monies or other loss, allegedly caused or incurred, in whole or in part, in any act of fraud or defalcation by the Service Provider, its agents, subcontractors, assigns, heirs and employees during performance under the Agreement. The extent of this indemnification shall not be limited in any way as to the amount or types of damages or compensation payable to the Board on account of any insurance limits contained in any insurance policy procured or provided in connection with this Agreement. In any and all claims against the Board or any of its agents or employees by any employee of the Service Provider, any subcontractor, heir, assign, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way as to the amount or types of damages, compensation or benefits payable by or for the Service Provider or any subcontractor, under worker's compensation acts, disability benefit acts, or other employee benefit acts. The foregoing indemnification provisions shall not be applicable to any injuries, damages or losses resulting in whole from the acts or omissions of the Board.

Notwithstanding anything to the contrary contained herein, the Service Provider does not hereby waive any of its sovereign immunity and any obligation of the Service Provider to indemnify, defend, or hold harmless the Board as stated above shall extend only to the limits, if any, permitted by Florida law, and shall be subject to the monetary limitations established by section 768.28, Florida Statutes.

The only exception to the aforementioned hold harmless would be in the case of liability allowed by the general liability policy procured and paid for by the Board for the operation of the CareerSource Gulf Coast Job Center. The Board as the leaseholder is required to maintain a general liability policy of 1.5 million dollars per occurrence and insures the contents of the site up to one million dollars. The Board assumes liability as outlined in the policy on file at the Board's Administrative offices at Gulf Coast State College.
25. The Service Provider shall not assign, delegate, or in any way transfer any of its rights or responsibilities, or any part of the work and services as called for by this GRANT AGREEMENT without prior written approval of the Board. The Service Provider understands that any contract approved to be subcontracted under this GRANT AGREEMENT shall be specified by written agreement and shall be subject to each provision of this GRANT AGREEMENT and all Federal, State, and local laws and regulations. This includes appropriately executed separate sub agreements for on-the-job training, limited internships, and work experience positions.
26. This GRANT AGREEMENT is subject to termination by either party with thirty-(30) days advance written notice. Any determination under this provision must be made in good faith, with due consideration given to availability of funding and the dedication of resource by the Service Provider to this Agreement. No official member or employee of the Board or any Board member, or any immediate family member of a Board employee or Board member may have a material financial interest in any service provider entering into this contract as entered into. There will be no conflict of interest permitted by the Service Provider's organization, officials, or employees, real or apparent, in the participation toward any performance of this GRANT AGREEMENT. During any performance of this contract, if there becomes an awareness of an actual or opposing interest, organizational or personal, that will or could affect the ability to be confidential, fair and impartial, they will withdraw from further action taken in that course of performance. Documentation of a conflict of interest and the action taken will be documented by a Conflict of Interest/Disclosure and Action Statement and furnished to CareerSource Gulf Coast. This Breach of Ethical Standards Certification is a material representation of action upon which reliance can be placed when this contract is entered into.

28. The submittal of false information may be considered as fraud and any other breach of these agreement terms could result in the immediate termination of the GRANT AGREEMENT. The Service Provider is liable for the repayment of funds that were paid by the Board for reported performance, or other compensation for services or expenses subsequently determined to be invalid. Repayment may be by deduction from subsequent invoices or in the form of a check for the amount owed if the program ended.
