

Questions submitted by proposers:

1. Does CareerSource Gulf Coast want fees quote for GASB 87 Lease accounting and calculation of the lease liability and right of use asset included in the proposal?

Yes. Include it as a separate fee option that we can decline if we so choose.

2. Will the auditor prepare the financial statements?

Yes. The auditor will use their software to prepare the statements as a non-attest service using information from management.

3. Will the current accounting firm be allowed to propose on the request for proposal?

Yes, however, the firm must propose a lead partner that had not been engaged as the lead partner for our organization's audit for any of the previous five years.
