C. Background of Legislation for the Purpose of the Request for Proposal (RFP)

The Workforce Innovation and Opportunity Act (WIOA) sets forth a vision for the workforce development system to operate as a comprehensive, integrated, streamlined system that aligns with the needs of business and is a force in helping stimulate local economies. Therefore, under WIOA, the Career Centers are required to partner with a range of federally funded employment and training programs to promote the coordination of services on behalf of job seekers and businesses. The programs and funding streams already integrated and delivered through CSGC's Career Centers are as follows:

- WIOA Title 1 Adult, Dislocated Worker, and Youth Programs
- Wagner-Peyser Employment Services
- Local Veterans' Employment Programs
- Disabled Veterans' Outreach Programs

- Migrant and Seasonal Farmworker Programs

Other mandated partners are as follows:

- Family Literacy and Adult Education Act
- Vocational Rehabilitation

Inclusive of the requirements under WIOA is the necessity to competitively select a One-Stop Operator (**OSO**) to support the implementation of services with the career center system locally. - A public, private, for-profit, or non-profit organization.
- An institution of higher education.
- A government agency.
- A community based, non-profit organization.

E. One-Stop Operator Qualifications

CSGC seeks a Proposer that meets the following qualifications:

- Possess a strong business acumen and professional presence.
- Strong, demonstrated experience (3-5 years) facilitating large, diverse stakeholder groups to a common goal or outcome is expected. The ability to remain a neutral facilitator will be critical.

- Has contracted to provide services similar in nature and complexity, with at least one organization, within the past three (3) years.
- Experience in meeting agenda development, planning, and execution.
- Ability to work closely with CSGC administrative staff to monitor the system's strategic objectives and make recommendations for system continuous improvements.
- Be licensed to conduct business in the state of Florida.

CSGC requires that entity must be organized in accordance with state and federal law and in business for at least 1 year. No person, affiliate, or entity may submit a response or be awarded under contract if:

- Previous contract(s) with CSGC have been terminated for cause.

F. Contract Term

Part III - One Stop Operator Scope of Services

A. One-Stop Operator (OSO)

The GCWDB shall designate a One-Stop Operator (**OSO**) in accordance with 20 CFR 678.605-678, 625, Section 445-0009, F.S., and applicable state policies, including the following one-stop delivery system requirements:

- a. Each partner program in the CSGC career center(s) will contribute to infrastructure costs at a rate negotiated and agreed upon by the Parties, or pursuant to a policy established by the Governor. The mandated infrastructure elements, set forth specifically in 20 CFR 678.755, must be incorporated into the period of time in which the infrastructure funding agreement is effective. Though not likely, this may be a different time frame than the duration of the Memorandum of Understanding (MOU).
- b. Identification of an infrastructure and shared services budget that will be periodically reconciled against actual costs incurred and adjusted accordingly to ensure that it reflects a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to its use of the career center and relative benefit received, and that complies with 2 CFR part 200 (or any corresponding similar regulation or ruling).
- c. Identification of all career center partners, Chief Local Elected Official(s) (CLEO), and CSGC participating in the infrastructure funding arrangement.
- d. Steps GCWDB, CLEO's, and career center partners used to reach consensus or an assurance that the LWDA followed the guidance for the state funding process.
- e. Description of the process to be used among partners to resolve issues during the MOU duration period when consensus cannot be reached.
- f. Description of the periodic modification and review process to ensure equitable benefit among one-stop partners.
- g. GCWDB shall incorporate infrastructure funding provisions in each MOU with its one-stop partners. Remedies or dispute resolution for nonperformance must also be included.

The GCWDB is seeking an organization with expertise and established track record for providing services required of an **OSO**. For purposes of this RFP, CareerSource Research Coast defines the basic role of an **OSO** as an entity that will coordinate the service delivery of participating one-stop partners and service providers within the CSGC career centers. The selected entity will be responsible for working with the GCWDB Board of Directors to assure that CSGC is coordinating services across program lines and with other organizations required by WIOA.

The selected service provider shall be responsible for:

1. Coordinating and hosting *up to* four in person meetings with required and other partners to support the Memorandum of Understanding (MOU) and MOU/IFA implementation/ongoing coordination (virtual option for partners). The **OSO** will develop meeting agendas (in conjunction with CSGC staff), meeting activities, facilitate meetings, and provide meeting notes. The OSO must be onsite at the comprehensive center for these meetings.
2. Developing, in collaboration with partners, an assessment of the effectiveness, physical and programmatic accessibility in accordance with section 188, if applicable, and the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.). The **OSO** must be on site for these collaborations.
3. Developing strategies for technological improvements to facilitate access to, and improve the quality of, services and activities provided through the one-stop delivery system. Such improvements include enhancing digital literacy skills; accelerating the acquisition of skills and recognized postsecondary credentials by participants; strengthening the professional

development of providers and workforce professionals; and ensuring such technology is accessible to individuals with disabilities.

4. Developing strategies to improve coordination of services across one-stop partner programs to enhance service delivery (including but not limited to the design and implementation of common intake, data collection, performance measurement and reporting processes) with local input into such design and implementation.
5. Providing up to four, but not less than two comprehensive reports indicating results from the meetings and data collection including each of the bullets above.

CSGC has been approved to provide, and will continue to provide, direct career services as defined by the WIOA §134(c)(2) and shown below. As a result, this RFP's Scope of Services does not include the **OSO** providing training services or providing any of the following career services or information:

- Providing assistance in establishing eligibility for financial aid for programs not funded through WIOA.
- Providing services to obtain and retain employment, such as comprehensive assessment, IEP (Individual Employment Plan) development, group and individual counseling, career planning, internship and Work Experience, financial literacy, out of area job search, ESOL (English to Speakers of Other Languages), etc.
- Providing follow-up services.

B. Additional Requirements

1. Monitoring

WIOA requires the LWDB to conduct monitoring of its **OSO**. Oversight and monitoring are an integral function of the state and LWDBs to ensure the **OSO's** compliance with the requirements of WIOA, the activities per the Statement of Work, performance reporting requirements, and the terms and conditions of the contract or agreement governing the **OSO**. The LWDB must measure, track, and monitor performance, service deliverables, and achievement of program or performance measures.

The GCWDB must ensure that the **OSO** do the following:

- a. Disclose any potential conflicts of interest arising from the relationships of the **OSO** with training service providers or other service providers, including but not limited to, career services providers.
- b. In coordinating services and serving as an **OSO**, refrain from establishing practices that create disincentives to providing services to individuals with barriers to employment who may require longer-term services, such as intensive employment, training, and education services; and
- c. Comply with Federal regulations, and procurement policies, relating to the calculation and use of profits.

An entity serving as an **OSO**, that also serves a different role within the one-stop delivery system, may perform some or all these functions when it is acting in its other role if it has established sufficient firewalls and conflict of interest policies and procedures. The policies and procedures must conform to the specifications in 20 CFR § 679.430 for demonstrating internal controls and preventing conflict of interest.

2. Confidentiality and Disclosure

The **OSO** shall comply with applicable requirements of the "Sunshine Law" regarding official activities of the local board.

The **OSO** will keep all documents and other information related to the one-stop operator services confidential. Such information will only be disclosed to designated members of the GCWDB, its CLEO's, its Board of Directors, and appropriate CSGC staff. Other than these exceptions, the **OSO** will not publish, reproduce, or otherwise divulge such information, completely or in part, nor authorize or permit others to do so.

The **OSO** shall comply fully with all security procedures of the United States, State of Florida, and the GCWDB in performance of the contract. The **OSO** shall not divulge to third parties any confidential information obtained by the contractor or its agents, distributors, resellers, subcontractors, officers, or employees while performing contract work, including, but not limited to, security procedures, business operations information, or commercial proprietary information in the possession of the state of Florida or CSGC.

THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK.

Part IV - Evaluation Process and Selection Criteria

A. Initial Technical Review

All timely proposals received will be reviewed by CSRC's employees to determine if they are responsive and if the proposals are eligible for further consideration. Proposals may be judged nonresponsive and removed from further consideration if the proposal is not received timely in accordance with the terms of this RFP; does not follow the specified format; does not include the required certifications; and is not adequate to form a judgment by the reviewers that the proposal meets the needs of CSRC and the intent of this RFP.

B. Review by RFP Review Team

An RFP Review Team (TEAM) consisting of members of CSRC's employees will be organized to review and rate proposals. This TEAM will review proposals successfully passing the initial technical review. Proposals will be evaluated using a point system. (See Attachment F - Rating Sheet for **RFP - CSGC 25-OSO-01**). The TEAM will review and discuss their evaluations of all proposals, combine the individual scores, and arrive at a composite technical score for each proposal. These scores will be used to determine the most advantageous proposal for CSGC.

The TEAM recommendation will be presented to the CareerSource Gulf Coast Executive Committee, and upon approval, the recommendation will be forwarded to the GCWDB Board of Directors on the date/time as indicated in PART II – Calendar and Process, Section A – Solicitation Timetable.

The GCWDB Board of Directors will decide to accept, reject, or accept with modifications the recommendation of the CareerSource Research Coast TEAM.

The approval of a proposal does not provide approval for any proposed cost, term, and/or condition.

Final award of an agreement is contingent upon successful negotiation of an agreement, and acceptance by the respondent of the agreement terms and conditions.

C. Small and/or Minority-Owned Businesses

Efforts will be made by CSRC to utilize local small business, minority, veteran, or women-owned businesses. A Proposer qualifies as a small business firm if it meets the definition of "Small Business" as established by the Small Business Administration (13 CFR 21.3-8) by having average annual receipts for the last three fiscal years of less than four million dollars.

D. Proposal Acceptance/Protest

This request for proposal does not obligate the GCWDB to award a contract. CSRC reserves the right to accept or reject any or all proposals received. The proposal term, if awarded, will be for four (4) years with a one (1) year contract to be renewed annually (July 1 – June 30) based upon successful performance.

Any award resulting from this request will be based on the entity's stability and experience related to this RFP, the entity's ability to handle the tasks noted in this RFP and the entity's cost.

CSRC reserves the right to waive informalities and minor irregularities in offers received.

Before a contract is offered, the Proposer must submit the required certifications provided in this packet. **If you are unable to provide this information, please do not submit a proposal.**

GCWDB may award a contract based on initial proposals received without negotiation of such proposals. Therefore, each initial proposal should be submitted on the most favorable price and technical terms. CSRC reserves the right to request additional information, oral discussion, or presentation in support of proposals submitted.

If an award is made, the contract will be a cost-reimbursement contract, as needed. Services will be implemented only upon notification from CSGC. Payment for services rendered will be made only when costs have been incurred and documentation of all costs are received and verified.

All Proposers have the right to protest the award. Parties wishing to protest a contract award may submit their objections in writing within 10 days of the award date to the President/CEO of CSGC who will provide the information to the GCWDB's Board of Directors. The GCWDB Board of Directors will investigate the complaint and issue a written finding and resolution to the protesting party within 45 days of the receipt of the complaint.

This protest procedure provides recourse to Proposers who believe that their proposal did not receive proper consideration. Proposers entering a protest should be prepared to document specific factors that put the aggrieved Proposer at a competitive disadvantage and/or document violations of specific sections of state or federal regulations, CareerSource Florida, Inc., and the procedures set forth by this RFP. CSGC reserves the right to refuse to consider an appeal that does not identify specific procedural shortcomings.

E. Negotiations

A contract will be negotiated with the first ranked Proposer, and if negotiations are successful, that Proposer will be recommended to GCWDB Board of Directors for award. In the event negotiations are not successful, negotiations with that Proposer will be terminated and negotiations begun with the second ranked Proposer and so forth until negotiations are successfully completed to the satisfaction of the GCWDB Board of Directors or until all acceptable proposals have been rejected.

F. Notification of Award

Upon conclusion of final negotiations with the successful Proposer, all Proposers will be notified in writing of their status. The final award decision will be made no later than **6/10/2025**. Contract negotiations may commence any time following that date and are to be completed by **06/11/2025**, with the execution date of contract to begin **July 1, 2025**.
