

VETERAN SERVICES

Today's military service members have the training, education and motivation that can make them valuable assets to any business. At CareerSource Gulf Coast, we encourage employers to connect with and recruit veterans.

At CareerSource Gulf Coast, veterans take precedence over the general public for employment, training and placement services. Veterans can work one-on-one with a trained employment specialist to receive assistance with resumes, career planning, interviewing and much more. In addition, veterans can take advantage of other valuable resources available through our job centers including access to computers, and high-speed internet, job leads/referrals and employability workshops.

FREE SERVICES INCLUDE:

- ▶ Employment counseling
- ▶ Job search assistance
- ▶ Training and Career development
- ▶ Referrals to VA/state/county support services
